

# SUMMER 2024 chess clubs Hampton Hill Junior School

Our Summer 2024 theme;

This Summer 2024 our chess term will comprise a virtual world chess tour.

We will be learning about different countries, their chess history, famous players, openings that are named after them and checkmate tactics that they are known for.

Come and earn a series of chess badges to reflect your increasing knowledge as the term progresses.

Our curriculum will take us on a journey through the countries that are considered to be in the top 10 chess nations with a rich chess history and with current talent on the world championship stage. We will learn strategy and tactics from their published works and we will explore the best games from the 2024 World Chess Championships that commence in April in Canada.

We would love to include you in one of our Summer term 2024 lunchtime chess clubs.

Beginners, improvers, and advanced players are all welcome.
